My favorite thing about Dr. Curry's office is

...

Everyone is so nice. My appointments are usually in the morning, and the positive attitude of Dr. Curry and his associates sets a great tone for my day. Tracey, adult patient

The friendly people! You always feel welcome as soon as you walk in the door! Jan, mother of patient

I love how I never have to wait. The front office staff is so helpful and friendly...They always work hard to schedule around my tough schedule. What a blessing! Melissa, adult patient

The smiles that greet me whenever I come, no matter what questions I ask! Laurie, mother of patient

The separate kids area – keeps the younger brother occupied! Julie, mother of patient

My daughter feels completely at ease and very comfortable with everyone here! Thanks to everyone who has made her having braces an "event"! She loves to come. Angela, mother of patient

Appointments are easy and my teeth are getting straight without anyone noticing (Invisalign!) Thanks! Jennalee, adult patient

Picking out your favorite color retainer. Emily, age 10
That when I get something done to my mouth, they make me feel comfortable on what they are doing. They are also really nice! Clarissa, age 10

They do such good work on your teeth and it doesn't hurt! Hannah, age 9

Our names flashing on the sign when we walk in. Bobby, age 12

To have people who make the dentist's work not scary. Jessica, age 12

The people that work here are very nice and I also like the kid's area. It is fun to look at the books. Sarah, age 12

They make people feel special all the time. Alex, age 9

15 minutes feels like 30 seconds. Trent, age 9

The people are nice and gentle and they turn sad days into happy days. Becky, age 11

The fish! They are so cute! Courtney, age 13

Whenever I come into the office, everyone knows my name and smiles. It means a lot to me, thank you. Jessica, age 12

The fact that I can talk to all the employees without feeling embarrassed or misplaced in the conversation. Jennifer, age 14
